Student:		
Date:		

The NSU Administration requires all ExEL program students to submit a brief *ExEL Final Report* to their professor by email (<u>one week</u> <u>before</u> the course's scheduled Final Exam date) in PowerPoint format. If you have any questions please email me at my email address at the top of this page. Not providing the documents before Final Exam date will result in a <u>zero grade</u> for this project. Your report will be graded on how well it <u>covers and describes</u> each of the following topics:
